

CHILD CARE FACILITY

FIRE DRILL RECORD

Fire drills shall be held at least once a month. A record shall be kept of the date of the drill, and the amount of time the drill required vacating the building. A drill should not take longer than one minute for evacuation time, which is the required time for public elementary schools. *NFPA 1:20.3.3.2.2.1 & NAC 432A.280*
